IV. Visitors and Communications

- A. Zoning Application – Bjergum: Mr. and Mrs. Larry Bjergum, 1209 East Grant Street, have submitted a Zoning Application asking authorization to construct a carport or storage shelter as shown on the enclosed photo. Two issues are to be considered by the Council. First, the Zoning Ordinance prescribes that the primary building is to be the first building erected on a parcel of land. In this particular case, a dwelling had occupied the property but was recently removed by Mr. Bjergum, leaving two utility sheds on this separately described parcel. The second issue concerns the characteristics of the proposed carport or storage shelter, being apparently a metal roof supported by metal poles with no sides, front or back. If the Council chooses to approve this structure, I recommend making a finding that it is suitable because of the area of the City this parcel occupies. Should others propose to install similar structures, the Council may not deem them appropriate in a newly developed area among homes costing an average of \$300,000 or more. Addendum #3

VI. Old Business

- A. Jack Edwards' Development: A question was brought to the attention of the Clerk's Office concerning a directive by Mr. Edwards to one mobile home owner to remove the structure from what used to be the mobile home park. While I'm not privy to all legal data, such as who was the registered owner of this structure and who signed the lease with Jack Edwards, enclosed for your review is a copy of the minutes of the Council Meeting held May 9, 2005, when the Council authorized Mr. Edwards to terminate the area as a mobile home park and create a single family housing district. The particular issue in question is found in the last paragraph of paragraph E on page 77. It is marked with an arrow in the left margin. Addendum #8

VII. New Business

- A. Advertisements
1. Minnesota Trails Magazine: Joyce Iverson requests on behalf of the Chamber of Commerce if the City wishes to cost share for the same type of advertisement in the Fall Issue of Minnesota Trails Magazine, the cost to the City to be approximately \$245. The Fall issue is to carry a story on the Richard J. Dorey Forest (Southeastern Minnesota) and has a distribution of approximately 45,000 copies. My understanding is that the Chamber will probably not advertise if the City does not cost share. Total ad cost: \$490.

Council Action:

2. Wild Turkey Times: Does the Council wish to advertise in the Wild Turkey Times with the Caledonia Argus? A full page ad as was done previously costs \$550. (A copy of the ad placed in 2005 is in the Clerk's Council Meeting Folder.) Addendum #9
